Architecturally inspired by classic UK flats, this thoughtfully designed preconstruction project stands out in a market saturated with cookie-cutter infills. Qualifying for 95% LTV under CMHC's MLI Select program, it offers both style and smart investment potential. Each of the two buildings includes four one-bedroom suites and one three-bedroom two bathroom suite all above grade and equipped with air conditioning for added comfort. The basement level features five dedicated storage units per building, providing additional income opportunities. With a total of 14 parking stalls, tenant convenience is prioritized. Located in a highly accessible area near elementary schools, as well as NAIT, MacEwan University, the Edmonton Public Library, and LRT station. Shopping, dining, and other urban amenities are also just minutes away.
