3 Bedroom, 3.00 Bathroom, 2,130 sqft

Single Family on 0.00 Acres

Montalet, Beaumont, AB

Original-owner home that has been lovingly maintained BACKING A POND with an OVER-SIZED DRIVE-THRU TRIPLE GARAGE! This 2,130 sq.ft. 4 bedroom, 2.5 bathroom home had some unique customizations done when building that you didn't commonly see during that era: walk-through pantry, mudroom between the front door & garage for an abundance of storage, both the 2nd & 3rd bedrooms with walk-in closets, and a large upstairs laundry room. The main floor has a den/office/bedroom, a good-sized living room, hardwood flooring, large kitchen with tons of counter space and cabinetry, a half bath, and that awesome mudroom. Upstairs are the two bedrooms and laundry room mentioned above, a full bathroom, and the owner's suite with a big walk-in closet, full ensuite, and that view. The basement is fully finished with a half bath (there's a rough-in to make it full), and several egress windows if you wanted to add another bedroom or two. Located at the north end of Beaumont and close to all amenities, this is a winner!
